

Do the “write” thing for your child

- Do you have trouble reading your child’s handwriting?
- Does your child dislike writing or fine motor activities?
- Do you notice poorly formed or backward letters or numbers in your child’s writing?

If so...

Pediatric Therapy Associates, Inc. is sponsoring a summer writing camp which offers a fun, multi-sensory approach for students who struggle with handwriting. This camp will focus on writing readiness, fine motor coordination and print handwriting through theme-based activities. An interactive snack will be included.

Ages: 5-10 years
Where: Pediatric Therapy Associates, Inc.
 Vestavia Hills, Alabama
When: Session 1: June 8-11; 9-11 a.m.
 Session 2: June 15-18; 9-11 a.m.
Cost: \$200 per session (including \$50 deposit)

At the end of the camp, each child will receive a home program packet for continued fine motor development and fun!

For more information contact 823-1215: Terry Doss, COTA/L; Laura Smith, COTA/L; or Alisha Watson, OTR/L.

* We reserve the right to cancel or offer additional sessions dependent on response received.

.....

Name of child _____ Date of Birth _____
